North Florida Ob-Gyn

Consent for Medical Information Release

There are times we are asked to give family members or others information on test results, especially if you will not be available to receive them. If you would like for us to give out information regarding your treatment and/or test results to your family or friends, please fill in their name and their relationship to you. **Please designate which type of information each person may receive** by checking the items we may release and any item we should not disclose. Make your own notes if necessary for clarification.

Definitions:

All Information: Any and All information we have in our file related to you which may include billing information, appointments, treatment, test results, etc. and information on sexually transmitted disease; HIV/AIDS, birth control, pregnancy and mental health information
